Step and Repeat Design Setup Package

Don't have a print ready file for your media backdrop? No problem, we can set up your step and repeat design for up to 2 logos! Simply add the Step & Repeat Design Setup Package to your order.

We have designed 4 different styles to choose, making it easier than ever to customize your media background. Provide us with your high resolution logo(s) and we will get you a proof of the artwork prior to printing, so you'll know exactly what it looks like before it goes to print. If you are not happy with the proof or have a change, there is 1 design revision included with the step and repeat logo design setup package.

What's included:

- Step and repeat design set up for up to 2 logos
- Pick from 4 design style choices
- Choice of color background
- Digital proof before printing
- 1 design revision, if needed

Do you need more than a our basic Step & Repeat design set up package?

Do you have more than 2 logos?

- We can set up a step and repeat design for up to a maximum 5 logos
- After 2 logos, it's $10 extra per logo

Do you have more than 5 logos?

- If you have more than 5 logos, then the project would move into full design time set up at $125 hour.
- Please contact our customer service team to receive a custom quote on your step and repeat design set up.

For custom quotes we are available:
